

Sa Ira *Isola dei Nuraghi I.G.T.*

It's your secret.

Reserved and intriguing, with velvety lips, it gives the best of itself with calm and awareness. Intense ruby red color. Nuances of rose, cherry and black pepper on the nose.

On the palate it is silky, firm, with notes of licorice.

The aromatic complexity balances the acidity that closes the mouth leaving it clean. It goes well with cured meats, semi-mature cheeses, large roasts, game, braised meats.
