

*Alturuju*  
*Isola dei Nuraghi I.G.T.*

Only for those who can smile.  
With its young, cheerful, extroverted and sincere character, it is immediately noted for its bright ruby red color, notes of jam and fruit under spirits.

On the palate it has an acidic vein, while soft and integrated tannins close the aroma of red fruits perceived at the aftertaste.

It goes well with tasty pasta dishes, red meat roasts and mature cheeses.
